

**NEWSLETTER TO FAMILIES OF CENTRAL NEW BRIGHTON SCHOOL.
WEEK THREE, TERM ONE, 2010**

HEALTH QUESTIONNAIRE FEEDBACK

Thank you to the seven families who responded to our questionnaire. Generally the feedback was very positive and we received some good ideas with respect to clarifying aspects of our food and nutrition and puberty programmes.

Congratulations to Kirsty Cooper. Your name was drawn out for the \$40 Robbie's voucher. It can be collected from the office this Friday.

CHILD SAFE KIT

This is an initiative which I hope parents will never need to use but should a member of your family go missing you will be visited by the authorities who will need to know personal details about this person. This can be a very emotional and stressful time and experience has shown that the correct information is not always passed on.

The Home and School are working with Nick to distribute these information cards.

If you would like to find out more about this initiative please contact Nick on 0275307623.

SECOND HAND CLOTHING

We have a number of second hand sweatshirts for sale at the school office.

FRUIT IN SCHOOLS

There is a meeting for our fruit ladies in the staffroom at 9:00am, tomorrow, Thursday the 18th of February. If you would like to be added to the group please feel free to attend. The meeting will not go for long.

Thank you for your support.

CYCLE HELMETS

It is very noticeable the number of children at CNB who are cycling to school without helmets. As someone who has cycling as a passion I am aware of the unsafe nature of our roads. The fact that cycling without a helmet is illegible is far outweighed by the permanent damage that can arise from a serious head injury.

PUBLIC HEALTH NURSE

We are indeed fortunate to have Liz Hampton working with us again this year. Liz is available if you require confidential health advice.

You can contact Liz on 383 6877 ext 99615.

Liz will be in the school every odd week Wednesday from 9:00am till 10:30am. If you would like an appointment with Liz there is a book in the office. Liz will be delighted to be of assistance.

ASB SCHOOL BANKING

At last Friday's assembly I shared the school banking initiative with children of the school. Enclosed with this newsletter is the banking information package for your perusal. If you would like your child/ren to take advantage of school banking please read the information carefully, complete the application form and return it to school. The school office and ASB will process the rest. You will note that all new bankers will go into a draw for \$50 which will be added to the account. ASB will be responsible for collecting the bank books which can be placed in the special box in the office.
